# HAMCO

## OF NEW ORLEANS

Established in 1982, HAMCO has long been the company New Orleans turns to for its receipt paper.

Upon purchasing HAMCO in 2017, lifelong New Orleanian, Matthew Oertling, began to diversify the company's product offerings and expand its reach.

Matt and the HAMCO team now supply more than 2,500 unique products to hotels, restaurants, casinos, financial institutions, and other businesses throughout Louisiana and along the Gulf Coast

Despite its rapid growth, HAMCO proudly maintains its reputation as the region's most reliable, customer centered, one-stop-shop for branded collateral, restaurant disposables, and point-of-sale supplies.

**WE PROUDLY DISTRIBUTE PRODUCTS FROM THESE MANUFACTURERS, and more!**

# CUSTOM PRINTING

Custom printing is a classic way to elevate the branding and marketing for your restaurant or business.

At HAMCO we coordinate the design, production, and printing of your custom printed products with domestic and international manufacturers.

HAMCO will warehouse, inventory and distribute your custom branded items so your business doesn't need to take up valuable storage space with excess inventory.
